Pallet Overview		

NOTES

See page 6 for icons description.

York is a single sided step chiseled on 3 sides.

*For an authentic look, each color option is composed of a variety of darker & lighter tones. Natural ingredients such as granite are present within the recipe to allow for a range in tones, veining and textures from one stone to another.

To achieve a natural appearance, product dimensions can vary $\pm \frac{3}{16}$ " (5 mm) for height and $\pm \frac{1}{2}$ " (13 mm) for length and width.

Please note that for barefoot walking areas (e.g. pool deck) dark-colored paving units could get very hot under the sun.
