	Approx. Weight	1 500 lbs
	Units	1.30 lin. ft
	Number of rows	8
Lin. coverage per row		7.81 lin. ft

NOTES

See page 6 for icons description.

Techo-Bloc always recommends gluing the caps with concrete adhesive to ensure stability and safety.

See page 248 for product compatibility.

Please note that for barefoot walking areas (e.g. pool deck) dark-colored paving units could get very hot under the sun.
