Laying Patterns Options

Patterns are for design inspiration only. The installer is responsible to calculate & purchase the correct amount of material.

NOTES

Palletized upright.
See page 6 for icons description.
See page 26 for more information about applications.
See page 34 to 36 for more technical information.

*For an authentic look, each color option is composed of a variety of darker & lighter tones. Natural ingredients such as granite are present within the recipe to allow for a range in tones, veining and textures from one stone to another.

Please note that for barefoot walking areas (e.g. pool deck) dark-colored paving units could get very hot under the sun.
