

BOREALIS

DESCRIPTION : Slab TEXTURE : HD² Wood

PALLET OVERVIEW - 5x30

PALLET OVERVIEW - 10x30

NOTES

Palletized upright.

*For an authentic look, each color option is composed of a variety of darker & lighter tones. Natural ingredients such as granite are present within the recipe to allow for a range in tones, veining and textures from one stone to another.

In order to obtain a more realistic appearance to natural stone, wet cast (Stoned collection) slabs are intended to have a slightly larger variance in their dimensions than dry cast slabs. See Notes for dimensional tolerances on page 17.

See page 17 to 20 for more technical information.

IMPORTANT: When installing Borealis 5x30 or Borealis 10x30, it is recommended to have a gap between $\frac{1}{16}$ and $\frac{3}{16}$ in. (2 and 5 mm), between the units, to allow the sand to enter between each unit.

Smoked Pine

Hazelnut Brandy

Sauvignon Oak

Riviera
